OFFICIAL VISITOR GUIDE

2019

RotoruaNZ.com

Famously
ROTORUA

Kia Ora welcome

Rotorua is a great place for a getaway – there's a raft of attractions and experiences on offer for everyone from adventure-seekers to those just looking to chill out. In fact, Rotorua has been rated the 4th best place in the world for travel experiences by travel website, TripAdvisor! Make sure to check out our world-class mountain bike trails, 18 lakes, geothermal hot spots and Māori culture experiences. Rotorua is one of New Zealand's most diverse, exciting and accessible holiday destinations – just a 3 hour drive from Auckland. Inside this guide you'll get a feel for why we want to share our stunning region with you. We look forward to seeing you soon.

We're always happy to hear from you:

Geothermal Wonders

Rotorua's geothermal water is known as 'Waiariki' or 'water of the gods'. The soothing water, mineral rich muds, traditional massage and indigenous herbs all play a special role in Rotorua's unique offerings. From a relaxing soak through to marvelling at geothermal wonders - there's something for all in Rotorua.

Hot Water Beach

Situated on Lake Tarawera, Hot Water Beach is accessible by both trail and boat. The beach provides bathing opportunities in the warm waters of Te Rata Bay, fed by a naturally heated hot stream. Lakeside Camping is also available at Hot Water Beach (check out the DOC website).

Polynesian Spa

Declared one of the top 10 day spas on the planet by Conde Nast, this iconic complex offers hot mineral bathing with four different areas to choose from and a menu of soothing massage and spa treatments.

Waikite Valley

Visit Waikite Valley Thermal Pools to experience the 'Living Waters' of the Te Manaroa Spring - the largest single source of boiling water in New Zealand. The water cascades into the main settlers pool, the toddlers beach, the sit 'n' soak pool and the luxurious garden and pergola pools.

Waimangu Volcanic Valley

Experience a unique geothermal and eco-tourism attraction on foot and by water to discover the world's youngest geothermal system. Be sure to venture out on Lake Rotomahana - where you can learn the history of the 1886 Tarawera eruption.

Te Puia

Pōhutu Geyser at Te Puia is the largest active geyser in the Southern Hemisphere. Enjoy watching Pōhutu Geyser erupt once or twice every hour, sometimes reaching heights of 30 metres. Pōhutu means constant splashing in Māori.

Blue Baths

Mixed bathing in liquid light. Such was the promise of pleasure used to entice visitors to Rotorua's Blue Baths in the 1930's, the first venue to daringly offer mixed bathing in New Zealand. The Juvenile Pool sits at 30°C whilst the two hot soak pools vary between 37°C and 42°C.

QE Health

Bathing in hot mineral water for health benefits and pleasure has been practiced for centuries. The alkaline and sulphurous water at QE Health from the Rachel Spring is renowned for its softening effects on the skin and its relaxing properties.

Hells Gate

Check out New Zealand's most active geothermal attraction, with the biggest mud volcano in the country and the largest hot waterfall in the Southern Hemisphere. Be sure to soak in the geothermal mud baths which help to remove excess oils, leaving your skin feeling soft and smooth.

Whakarewarewa Living Māori Village

Discover the unique lifestyle and traditions at Whakarewarewa Living Māori Village. Set within a landscape of erupting geothermal activity, thermal hot springs and bubbling mud, the village people live in harmony with Mother Nature in this unique environment.

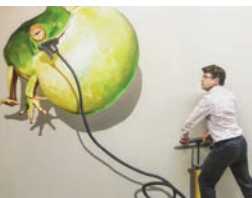

Family Fun

Rotorua is a great place to get away for that fun filled family weekend. Whether it be a three hour drive from Auckland, or a direct flight from Christchurch or Wellington - Rotorua is your one stop shop for all things fun! If you need advice on what to do and where to stay then visit our i-Site when you get into Rotorua.

Hobbiton Movie Set Tours

Step into the world of Bilbo Baggins. If you are driving from Auckland this is a great option to break up the journey if the kids get restless in the backseat. Otherwise Hobbiton has two daily tours that depart Rotorua.

3D Trick Art Gallery

The first and only 3D Trick Art Gallery in New Zealand. In the gallery you become the star of the artwork and can create masterpieces of your own.

Rotorua Duck Tours

See the best of Rotorua by land and water. Take a tour of Rotorua city and some of the 18 lakes aboard a World War 2 amphibious craft affectionately known as "The Duck".

Rainbow Springs

Get up close with the wonderful birds, bugs and beasts that call New Zealand home. Keep an eye out for the daily animal encounters to get that little bit closer to some of the animals.

aMAZEme

Ever wanted to lose the kids? Well here's your chance to test your skills in the 1.4km hedge maze. The kids will also love the small animal petting experience. It's all about good, old fashioned, family fun!

Kuirau Park

Take a walk and discover the steaming, hissing and boiling geothermal activity in the heart of Rotorua at New Zealand's only geothermal public park.

Government Gardens

Wander through the Government Gardens and enjoy the beauty of the Museum building, the rose gardens, geothermal wonders and water features. Why not take a picnic along and relax in beautiful surroundings.

Agrodome

The iconic Farm Show is a chance for a laugh and to learn a thing or two about farming and the animals themselves. There is a wide range of products on offer but one not to be missed is the Farmyard Nursery.

Skyline Rotorua

Whether you want to relax at the top of the gondola with a drink to admire the breath-taking views or you'd prefer an adrenaline fix, then Skyline has you covered. The iconic Luge is a must do and the kids will love the Jelly Belly store.

Lakes & Forests

Whether you're looking for relaxation, adventure, or a bit of both... Our 18 stunning lakes and extensive network of forest trails provide endless possibilities. Rotorua offers some of the world's most spectacular lake and forest scenery, and a range of activities that makes the region easy to explore.

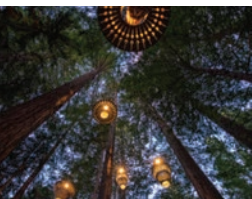

Kawarau Jet

Experience the excitement and exhilaration of a jetboat tour on Lake Rotorua, while visiting iconic landmarks such as Kawaha Point, Mokoia Island and Sulphur Bay.

Paddle Board Rotorua

Explore Lake Okareka on a stand-up paddle board as the sun sets over the lake. This scenic tour includes a stunning glow worm cave experience.

Redwoods Treewalk

A must-do experience day or night, take in an elevated view of the Redwood Forest from the 28 suspension bridges making up this 700-metre long walkway. At night the trees are illuminated by stunning David Trubridge designed lanterns.

Pure Cruise NZ

Explore the sparkling waters and hidden gems of picturesque Lake Rotoiti from the comfort of a 53-foot, luxury catamaran. Swim in caves, soak in the lake-edge thermal hot pools or just relax and enjoy a delicious BBQ lunch.

Lake Tikitapu - The Blue Lake

This is a popular spot for water sports and there's also a beautiful track (5.5km) through native bush around the lake edge. For those wanting a longer walk, continue on and enjoy the Green Lake loop.

The Redwoods

Just 5 minutes from downtown Rotorua, experience the beauty of a stroll through the grove of towering Californian Redwood trees, dedicated to the memory of the men of the New Zealand Forest Service who died in the two World Wars.

Mountain biking

Whakarewarewa Forest boasts a huge range of trails from grades 1 to 5. It's no wonder that the International Mountain Biking Association recognises Rotorua as one of only six gold level ride centres in the world!

Lake Okareka Boardwalk

An easy 5km return trail that winds around the lake through native trees and shrubs before entering the wetlands. Hang out in the birdwatching hide to observe the range of water birds who call the wetlands home.

Rotorua Canopy Tours

Experience the native forest through a series of bridges, ziplines, treetop platforms and trails. This 3 hour wilderness adventure mixes fun, education and conservation into a once in a lifetime experience.

Sustainable Tourism Charter

The Rotorua Sustainable Tourism Charter is a group of tourism operators committed to continual improvement in these areas:

- ✓ Supporting our community
- ✓ Acknowledging our community's multi-cultural values
- ✓ Protecting and enhancing our natural environment
- ✓ Efficient use of all available resources
- ✓ Statutory compliance
- ✓ A safe, enjoyable and informative experience for visitors

Charter member businesses are required to undergo a sustainability assessment and annual review process. Member businesses must commit annually to new actions that improve their sustainability performance.

Play your part

A sustainable visitor destination exists not only on the actions of the host community, but also on the actions of its visitors.

REDWOODS TREEWALK - DAY

Walk high and up close to the majestic gentle giants of Rotorua's iconic Redwood Forest. This 30 minute ecological walk provides a unique bird's eye perspective, capturing picturesque beauty and ambience. The walkway has been specifically designed and constructed to preserve the trees and the surrounding natural environment. A perfect wet weather activity with the stunning colours of the forest coming to life in the rain. Enjoy the peacefulness at your own pace and leave feeling inspired, refreshed and rejuvenated.

The 700 metre long eco-tourism tree walk consists of 28 suspension bridges (up to 20 metres above the forest floor), and traverses 27 majestic Redwood trees that are over 117 years old.

**Redwoods
Treetwalk®**

W treewalk.co.nz **E** info@treewalk.co.nz

REDWOODS TREEWALK - NIGHT

Open every night, the enchanted forest comes alive with the Redwood Nightlights. The creations of award winning design and conservation icon David Trubridge, this immersive experience ensures that you discover the forest in a whole new light; enhancing the majesty of the Redwoods and the native ferns. See this natural treasure from a bird's eye perspective, up to twenty metres from the ground. Walk into the canopy of the forest, breathe in the pure air and listen to the chorus of native birds. This is a truly magical and surreal experience.

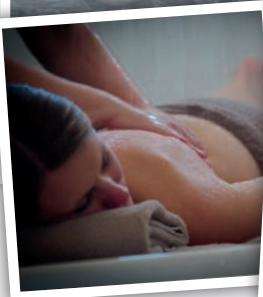

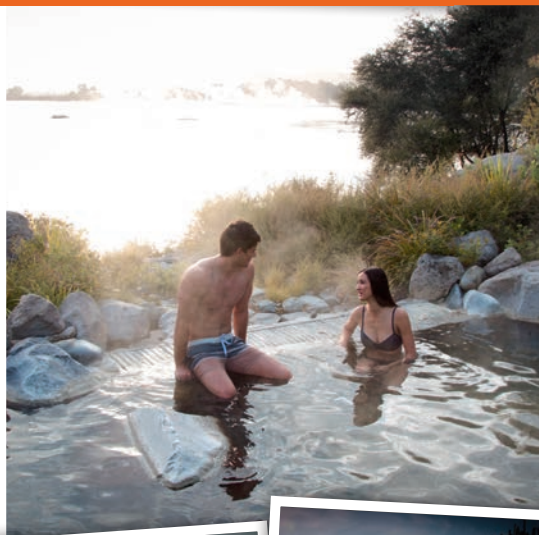

Treetwalk rates start at \$29 adult and \$19 child for the daytime or nightlights experience, upgrade to a combo for an additional \$10pp. Family packages available. Open from 09:00 to late.

Travel Kit

ALL YOU NEED TO KNOW

USEFUL INFORMATION

Rotorua is New Zealand's most dynamic thermal area, home to spurting geysers, steaming hot springs and exploding mud pools.

The city is renowned for its 18 lakes, 145km+ of world-class mountain biking trails, native and exotic forests, and the number of spas and spa treatments available.

Māori culture and the spirit of manaakitanga (warmth and hospitality) is really important to the locals, so take time to experience and understand it.

Rotorua enjoys a pleasant climate with clear crisp days in winter (Jun-Aug, 10-16 degrees) and plenty of sunshine in summer (Dec-Feb, 22-26 degrees).

USEFUL MĀORI PHRASES

Here are a few useful Māori words to try and use while you're here.

Aotearoa - New Zealand

Haka - A posture dance

Kia Ora - Hello / Thank you

Kai - Food

Marae - Tribal meeting place

Ka pai - Good

Ko (your name) ahau - I am (your name)

Ko (name of your river) te awa - My river is (name of your river)

Ko (name of your mountain) te maunga - My mountain is (name of your mountain)

ROTORUA AIRPORT

Rotorua Airport is your gateway to the Bay of Plenty region and the Central North Island. Its location in the heart of New Zealand's North Island makes it the region's most convenient airport.

BEYOND ROTORUA

Rotorua's central location makes it handy to a number of other cities with Tauranga, Taupo and Hamilton only a one hour drive away. A little further afield are the black-sand beaches of the North Island's West Coast, the ski fields of the Central Plateau and Hawke's Bay's famous vineyards, all within a few hours drive.

TRAVEL TIMES

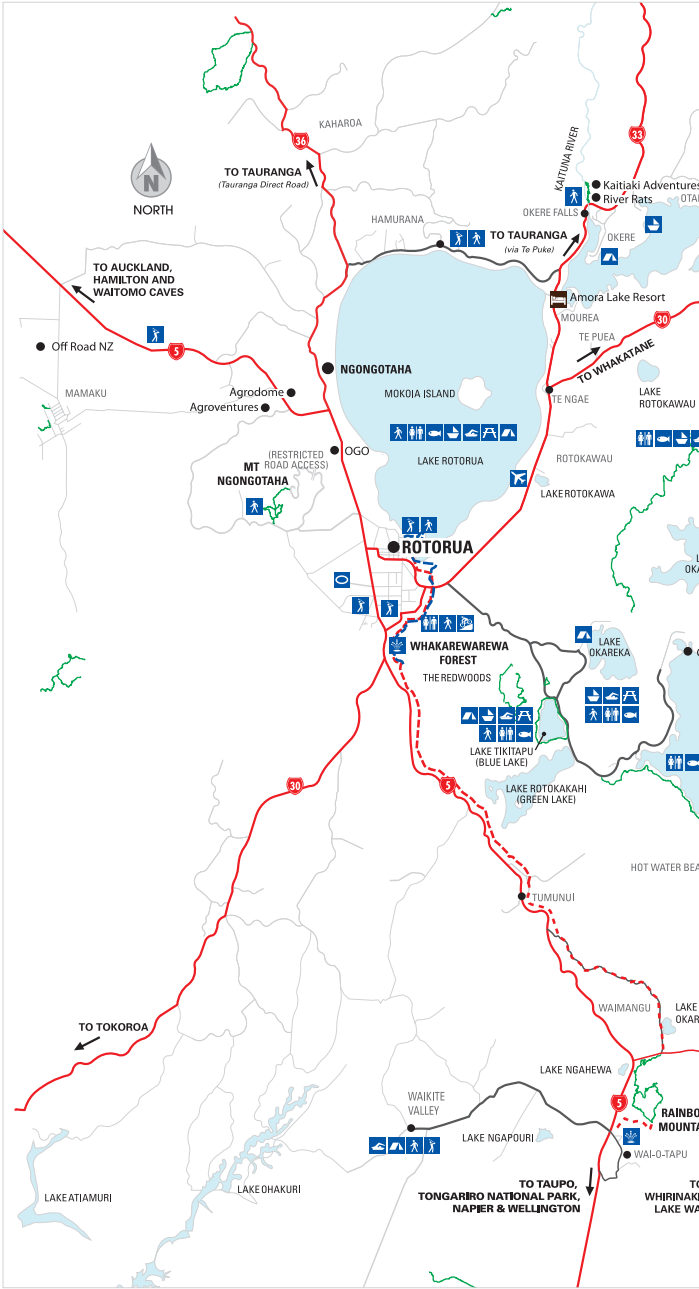

Driving:

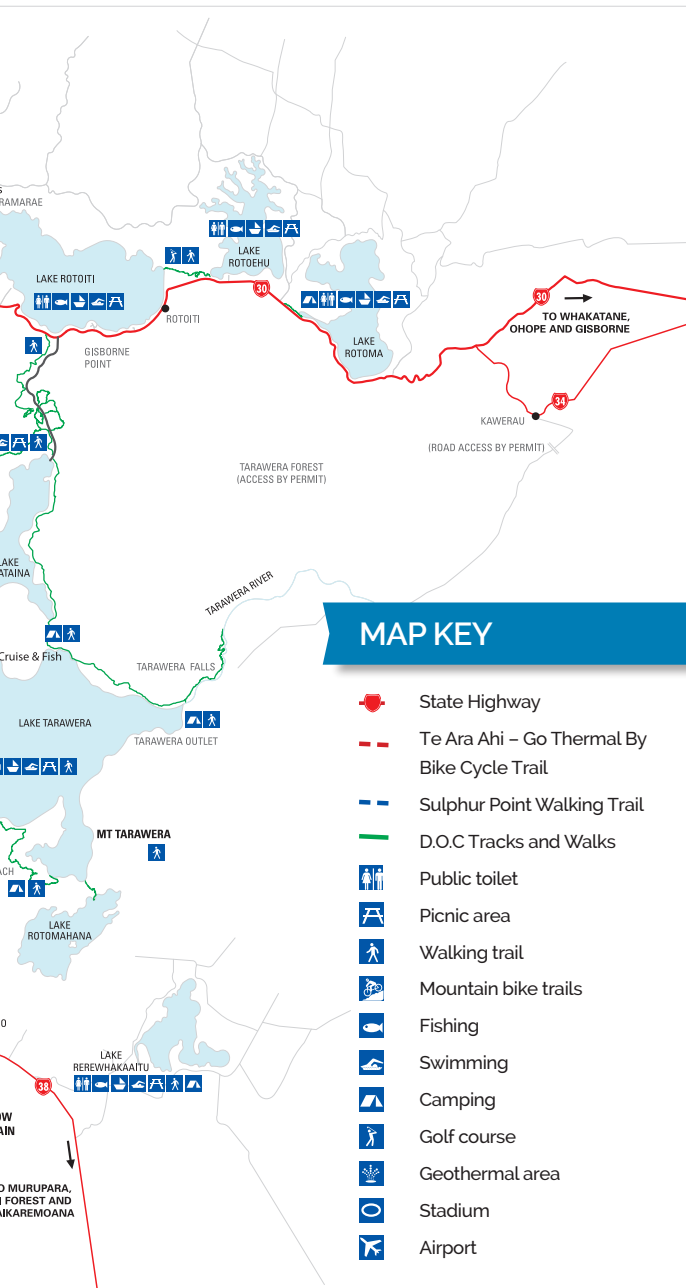

Rotorua to Auckland	3 hours	234km
Rotorua to Tauranga	1 hour	86km
Rotorua to Taupo	1 hour	80km
Rotorua to National Park	2 hours	177km
Rotorua to Hamilton	1 hour	108km
